MEMORANDUM FOR: Deputy Director for Administration ✓
Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science and Technology
Administrative Officer, DCI Area

FROM: Daniel A. Childs, Jr.
Comptroller

SUBJECT: Continuing Resolution for 1984

30-7

REFERENCE: Memo dated 3 October, same subject

25X1

1. Congress has passed a second continuing resolution pending enactment of our regular 1984 Appropriation. The attached cable was sent to stations and bases to keep them informed of our appropriations status.

25X1

2. Until our regular 1984 appropriation is enacted, it is requested that you continue to conduct your operations under the following general guidelines:

- a. Obligate for services and other contracts, where possible, on a month-to-month basis rather than for the entire year.
- b. To the extent possible, defer major procurements unless delay will adversely impact programmed activity or significantly increase costs.
- c. Advise this Office in advance of any significant obligations planned which would result in the directorate exceeding the 1983 rate.

25X1

3. We have reason to believe that our appropriation will be enacted by the end of this week; however, if Congress does not act by that time, the upcoming recess may delay action until January or February.
